**SCS we give thee praise!
Praise to thee in word and song.
That your light shall always be
Yet a beacon clear and strong.
Keep her safe O Father Holy.**

**So that all who enter in
Will all soar on wings of eagles.
And will never be the same again.
So we lift our voice in song
Giving praise where it belongs.
All our hearts shall always be
Cradled SCS in thee.**

MISSION STATEMENT

The mission of Sumiton Christian School (hereinafter referred to as either “Sumiton Christian School” or “SCS”) is to provide a quality Christian education taught by qualified and caring professionals with the goals of developing the whole child spiritually, academically, socially, and physically, and instilling in all our students obedience to God’s Word, respect for those in authority, and a high level of patriotism.

PHILOSOPHY

Sumiton Christian School exists as a vital ministry of the East Walker Education and Development, Incorporated in assisting parents to fulfill Ephesians 6:4 which admonishes them to bring their children up in the nurture and admonition of the Lord.

The purpose is to equip our students with the spiritual, academic and social training to fulfill God’s purpose for their lives, and to instill in them the quality of Christ-like behavior while dealing with life’s situations.

An education at SCS is based upon God’s Word as the foundation for all learning, and through this realization, students will gain knowledge through a Christ-centered education to guide them into a Christ-centered life (II Tim. 3:16-17).

SCS stands for excellence and believes God requires our best, not only spiritually, but mentally and physically as well (Eccles. 9:10). In all academic areas, teachers shall motivate students to strive for excellence which is a necessary characteristic for our students to meet the demands of life. To accomplish this mission, the school emphasizes:

1. Leading our students into a personal relationship with the Lord Jesus Christ and equipping those students with the spiritual training necessary to fulfill God’s purpose in their lives. (John 14:6)
2. Instilling in each student qualities of Christ-like behavior while dealing with life’s situations. (2 Tim. 3:16-17)
3. Inspiring the student to study further on his own motivating him to continue to live for Christ today so he may live with Him for eternity. (2 Tim. 2:15)
4. Recognizing the value of each student and helping to develop his self-esteem. (Ps. 139-140)
5. Guiding students in priority goal setting and developing the skills necessary to reach those goals. (Phil. 3:14)
6. Preparing each student for the demands of a challenging future as a college student, as an employee, as a citizen, and as a family member. (Prov. 22:6)
7. Instilling in each student the desire for academic excellence and enhancing this desire, so that the student becomes a lifelong learner. (Prov. 1:5)
8. Encouraging the student to be motivated not by material success, but by love of God and his neighbor. (1 Tim. 6:6; Rom. 12-10)

OBJECTIVES

1. To provide daily instruction in God's Word through Bible classes, prayer, weekly chapel services for elementary and secondary students, and scripture memorization.
2. To employ certified teachers and administrators, and capable staff, who exemplify Christ in their daily walk and provide the proper Christian role model for the students.
3. To develop and to maintain a curriculum that provides excellence in academic preparation for success in today's society from a Biblical perspective.
4. To provide a variety of academic, artistic and athletic extra-curricular activities to allow the maximum number of students to participate.
5. To strive for long term progress through constant evaluation and implementation of strategic planning.
6. To provide an atmosphere conducive to learning where students feel safe, valued and where respect is fostered for both teachers and students.

ACCREDITATION

Sumiton Christian School is accredited through the Alabama Independent School Association (AISA) and COGNIA/AdvancED.

GENERAL INFORMATION

CLOSED CAMPUS

Sumiton Christian School is a closed campus. All visitors must report to the main office upon arrival. No visitors are allowed in or around the school during normal school hours of 7:00 AM to 4:00 PM without permission from the Administrator.

INCLEMENT WEATHER

In case of inclement weather, school shall be closed. Notification of the closing of the school shall be provided to local television and radio stations. Parents will also receive a telephone message, text, and/ or email if school is to be dismissed early due to inclement weather.

COMMUNICATIONS

SCS administration and its teachers may notify parents, guardians and students of information through written communications. Although the school may elect to use various methods of providing those communications to parents and guardians, it is the ultimate responsibility of each student to notify his or her parent or guardian of all written communications provided to him or her by the school. A failure to do so may result in disciplinary action against the student.

ELECTRONIC DEVICES

SCS is committed to protecting instructional time in the classrooms. Students in grades **K3-5 are not allowed to bring any electronic devices to school unless approved by the teacher for a specific purpose and day.** Students in grades 6-12 may bring electronic devices, but they must remain off and out of sight unless being used for instructional purposes and authorized by the teacher. All electronic devices can be taken up by the teachers so as not to interrupt the learning process. Violation of this policy is a Class II offense.

STUDENT TELEPHONE USAGE

The school phone is reserved for official school business. Students are not permitted to use the telephone except in case of emergency. Parents, please assist us by calling the front office if you need to speak with your child.

ARRIVAL AND DISMISSAL

Morning Arrival

The school doors will be opened at 7:00 for those students who must arrive early. Normal arrival time should be between 7:30-7:55. Students in grades K-8 will be seated in the Media Center until dismissed. Students in grades 9-12 will report to the cafeteria in the high school and remain until 7:50 a.m. All students will be supervised by staff. Students will be allowed to go to the classroom at 7:50 a.m. The tardy bell rings at 8:00 a.m. Students who are late must report to the office for a tardy pass.

Afternoon Dismissal

Students shall be dismissed promptly when the bell rings. Teachers will load students in front of the buildings. Parents must remain in line with traffic in order for safe loading of students. Students not picked up by 3:15 will go to after-school care. High school students will be dismissed when the bell rings to go to their cars.

Traffic Instructions

All traffic should enter the campus by the school sign or in front of the high school. Traffic may exit by going up the hill by the Life Center or the high school parking lot. In the morning and afternoon, all students are to be let out and picked up at the main entrance of each building. No parent is to park in the parking lot, thus forcing the children to cross the traffic path. In the morning or afternoon, if business is to be conducted with the school office, parents must pick up their children in the manner prescribed above, and then park in the parking lot. In the afternoon, unless the traffic chart is observed, the teacher cannot release the student to be picked up. All entrances and exits must remain clear in the event of an emergency. Please do not block driveways or park near dumpsters at any time.

STUDENT DRIVERS

Students driving to school must exhibit extreme caution when driving in the parking lot due to the presence of other people and vehicles. Students are expected to obey the 5 MPH speed limit, park in designated areas only and obey established traffic patterns. **All students' vehicles must be registered in the school office with a copy of their driver's license, copy of their insurance card, and tag number. All cars parking in the student parking area must have a current parking sticker on the inside mirror of their car.** Students must park in the high school parking lot area upon arrival at school and leave the vehicle immediately until the end of the student's academic day. Students must not return to their vehicles during the school day for any reason without permission. Neither are they permitted to drive off campus during the day without permission. Remember, driving to school is a special privilege that will be suspended if abused or may result in assigned parking on campus. Legislative ACT 94-820 states that a student's drivers' license will be revoked by the Alabama State Department of Public Safety if they have ten consecutive days of unexcused absences or fifteen cumulative days of unexcused absences in one semester. This Act requires the school to notify the Department of Public Safety should any student be in violation of this Act.

MEDICATION POLICY

Sumiton Christian School is a drug-free environment. All medications, whether prescribed or over-the-counter, must be turned into the school office by the student's parent or guardian. If a parent or guardian wishes for the student to be able to obtain certain over-the-counter medications directly from the school, the parent must complete the required over-the-counter medication form each year. No student will be allowed to receive over-the-counter medication of any kind directly from SCS without an up-to-date medication form, signed by his or her parent or guardian, on file in the school office.

For prescription medications, a current pharmacy labeled container shall be required which includes the student's name, physician name, name of medication, strength, dosage, time interval, and route. This includes inhalers and epi-pens. Prescription medication shall require completion of a School Medication Prescriber/Parent Authorization form with the prescribing physician and parent/guardian signature. All instructions regarding administration of the medication must be specific and not dependent on the judgment or discretion of the school staff. Each parent or guardian is responsible for maintaining a record of the date and quantity of medication provided to the school and for replenishing the school's supply if or when needed. All unused medications, whether prescription or over-the-counter, not picked up by a parent or guardian by the last day of each school year will be discarded according to appropriate disposal guidelines.

FINANCIAL POLICIES

Sumiton Christian School is totally dependent upon tuition and fees for the operation of the school. Because we want to keep our good testimony by paying our bills on time, we ask that all tuition payments and fees be paid promptly at the time they are due. All accounts must be current in order for students to take semester exams. Students will not receive report cards unless their account is current.

All fees of any kind and tuition paid, whether paid monthly, annually, semi-annually, pre-paid, or otherwise, are non-refundable. All tuition payments must be made payable to the school. The payment is due at the first of each month. A grace period of ten (10) days is allowed; however, a late charge of \$75.00 will be added for tuition received after the 10th day of the month. Returned checks made payable to Sumiton Christian School, SCS Campus Store, or Sumiton Christian Youth Athletics will also be charged a fee of \$50.00.

FEES, TUITION SCHEDULE AND REGISTRATION

A registration fee is required for all students entering SCS. According to board policy, registration fees and pre-paid tuition are non-refundable.

KINDERGARTEN

Total registration fee is \$150.00. A partial payment of \$75.00 will hold a child's place in a class. The final \$75.00 must be paid by August 1st of the year in which the child has been registered to begin school.

GRADES 1-12

Total registration fee is \$200.00. A partial payment of \$100.00 will hold a child's place in a class. The final \$100.00 must be paid by August 1st of the year in which the child has been registered to begin school.

TUITION

Tuition may be paid monthly, semi-annually, or annually. All fees and tuition paid are non-refundable. All accounts are due on the 1st of the month and late after the 10th of the month. The school offers a twelve-month payment plan with payments beginning June 1 and ending May 1 of each year. If tuition and/or fees are past due, a late fee of \$75.00 will be assessed after the 10th day of the month in which the tuition and/or fees were due, or on the following school day if the 10th day falls on a weekend. If tuition and fees have not been collected within a sixty-day period, and appropriate measures have been exhausted, a notice of dismissal may be issued to the parent. The determination of what constitutes “appropriate measures” rests within the sole discretion of the SCS administration and Board of Directors.

Board policy dictates that tuition and fees are subject to change from year to year based on the educational cost index.

AFTER-SCHOOL CARE

After-school care is available from 3:15 PM to 6:00 PM daily for an additional cost of \$7.00 per child after 3:30 PM.

LUNCHESES

Hot lunches are served daily. Lunch price for grades K3-5 is \$3.50 and the price for grades 6-12 is \$4.00 daily. Menus will be published for each month and will be distributed to every student by homeroom teachers for grades K3-5th grade at the first of each month. Menus will also be available in the school office and lunchroom for students in grades 6-12. The Alabama State Department of Health regulations prohibit food from outside vendors from being brought into the lunchroom. The only exception to this rule is food packed in a lunch box or sack.

FIELD TRIPS

At Sumiton Christian School, we feel that field trips are an essential part of the learning experience. Sumiton Christian School discipline procedures apply to all extra-curricular activities of the school including field trips. Any student who does not comply with Sumiton Christian School discipline procedures as stated will be subject to disciplinary action, which may include loss of privilege to participate. Any student who does not attend the planned activity will receive an unexcused absence unless previous arrangements have been approved by the sponsoring teacher of the field trip and administration.

Board policy dictates that non-class members or younger siblings will not be allowed to participate in field trips. For safety reasons, transportation will be on the bus when available. If the bus is used, all students must ride the bus to the destination. Uniforms are standard dress for field trips unless prior arrangements are approved by the administration.

CONCESSIONS

Students in grades K-12 will have a snack break each day. Students may bring snacks or purchase them at the school or vending machines. The prices of snacks vary per item.

CODE OF STUDENT CONDUCT

Instruction should occur in an environment that is conducive to learning. Effective instruction requires good order and discipline, which may be described as the absence of distractions, friction and disturbances which interfere with the effective functioning of the student, class and school. SCS hopes to nurture a friendly – yet businesslike – atmosphere in which students and school personnel work cooperatively toward mutually recognized and accepted goals. Ultimately, the goal of student discipline is to modify undesirable behavior while maintaining a school environment which provides maximum learning opportunities for all students.

As students progress in our school, it is reasonable to assume that an increase in age and maturity will result in the students assuming greater responsibility for their own actions; however, the procedures identified in this document shall apply to all students in grades K-12.

SCS students and their property are subject to all the rules and regulations of the school during the school day, during school-sponsored activities, while on or in school property and facilities, while being transported on the church bus or any other mode of transportation provided by the school, and at times and places, including but not limited to, school- sponsored events, field trips, athletic functions and other school-related activities. All regulations and prohibitions also apply to automobiles and other property brought onto school property. In addition to the foregoing, application of this Code of Student Conduct may be extended to the immediate vicinity of the school and during after-school hours when and where student conduct could have a detrimental effect on the health, safety and welfare of other students and the school or where the conduct could otherwise disrupt the educational process.

The Code of Student Conduct may be applied to students involved in off-campus conduct or activity which threatens to interfere with the provision of instructional or educational services, to disrupt the school environment or which otherwise adversely implicates the school's legitimate educational or administrative interests. The administration may take all necessary action to ensure that its facilities are safe and secure and that this Code of Student Conduct is enforced. Such action may include the inspection and search of property brought onto school facilities. Any person who refuses to comply with such action by the administration may be denied admission and required to leave the premises immediately.

It shall be the policy of the school to permit law enforcement agencies to make periodic visits to Sumiton Christian School for the purpose of detecting the presence of illegal drugs. Such visits shall be unannounced except to the Administrator of the school. The administration will also utilize a narcotic detection dog to deter individuals from bringing illegal narcotics onto school property. The dog will be utilized to conduct routine random searches on school property, including, but not limited to, school lockers, school classrooms and school parking areas. Anything on or in school property is subject to inspection by the administration to enforce this Code of Student Conduct and to effectuate its purposes, subject only to any restrictions which may be imposed by federal, state or local law.

ATTENDANCE

According to Alabama State Law, any student enrolled in grades 1-12 who accumulates more than 20 absences (excused or unexcused) during the year, is subject to retention the succeeding school year. All absences are considered unexcused until an excuse in the form of a note, email, or fax is presented to the office. In order for an absence to be excused, a note, e-mail, or fax must be presented to the SCS office within five days of the absence. It is not the responsibility of the SCS administration to follow-up with students or parents on such an issue, and failure to present the required documentation of absence shall result in an unexcused absence. Attendance records will be kept according to Alabama State Law. Perfect attendance is defined as no absences, tardies, or unexcused check-outs during the school year. Students with perfect attendance will be recognized at the end of the year. Note: In order for students to be able to exempt end-of-semester exams with a “B” average, they cannot have more than 3 excused absences or unexcused tardies/checkouts for the semester.

ABSENCES

Absences will be excused for the following reasons:

1. Sickness – A parent’s written excuse shall be sufficient to obtain an excused absence for an absence not exceeding 2 consecutive school days (not to exceed 20 absences during the school year). However, a doctor’s excuse shall be required to obtain an excused absence for 3 or more consecutive days.
2. Doctor/Dentist/Orthodontist
3. Death/Funeral of immediate family
4. Driver’s license/permit – Students are excused to take exams for license or permit.
5. SCS Sporting events – SCS student spectators must sign in at the event in order for it to be excused.
6. School/church related organizational activities/events verified by the sponsor.
7. Approved by the administration

All other absences will be considered unexcused.

To assist the office, parents of high school students are asked to call the office at 205-648-6643 ext.101 and leave a message if their child is going to be absent. If we do not receive a call, the office staff may call the parent/guardian to confirm the absence.

TARDIES

It is important that each student be on time for school each day. All students tardy to school must report to the office to sign in prior to going to class. Students in grades K-8 should be signed in by the parent in the front office if tardy. Excessive tardiness will result in disciplinary action. To assist the office staff from having to call, parents of high school students (grades 9-12) are asked to call the office at 205-648-6643 ext.101 and leave a message if their child is going to be tardy to school. If we do not receive a call, the office staff may call the parent/guardian to confirm the tardy. Teachers should not allow a student to enter class unless they have signed in at the office.

Tardies will be considered excused for the following reasons:

1. Sickness – Students must provide the office with a written note in order for it to be excused.
2. Doctor/Dentist/Orthodontist appointment
3. Death/Funeral of immediate family
4. Driver's license/permit – Students are excused to take exams for license or permit.
5. SCS Sporting events – Students must sign in and out at the event in order for it to be excused.
6. School/church related organizational activities/events verified by the sponsor.
7. Car trouble
8. Approved by the administration

All other tardies will be considered unexcused.

CHECKOUTS

We know that occasionally a student will need to check out from school. It is important that each student remains at school for the full day. In order to have an excused checkout, a written note, call, fax, or email from the parent/guardian will be required explaining the reason for the checkout. To assist the office staff from having to call, parents of high school students (grades 9-12) are asked to call the office at 205-648-6643 ext.101 and leave a message if their child is going to check out. All students checking out must sign out in the office indicating time, date, and reason for checkout. Teachers are responsible for checking INOW to see if students in their class have checked out or absent. If a student is missing and it is not noted in INOW, the office must be notified immediately. Excessive unexcused checkouts will result in disciplinary action. **Checkouts will be considered excused for the following reasons:**

1. Sickness
2. Doctor/Dentist/Orthodontist appointment
3. Death/Funeral of immediate family
4. Driver's license/permit – Students are excused to take exams for license or permit.
5. SCS Sporting events – Students must sign in at the event in order for it to be excused.
6. School/church related organizational activities/events verified by the sponsor.
7. Approved by the administration

All other checkouts will be considered unexcused. Students with an unexcused checkout will not be allowed to return to campus on the day of the unexcused checkout. Examples of unexcused checkouts include haircuts, lunch off campus, nail appointments, errands, personal, etc. Students should receive zeros for all work missed due to an unexcused checkout.

MAKE-UP WORK

Assignments missed due to an excused absence, tardy, or checkout must be completed. **Students will be given two days to complete make-up work for each day of excused absences. Work not completed within the designated time may result in zeros.** Students should not be allowed to make-up work for unexcused absences, tardies, or checkouts.

Students who are absent the day before a scheduled exam will not be required to take the exam, but may do so if they so choose. Students not taking the scheduled exam will have one day to make-up the exam. Make-up exams may be different from the original exam.

Students participating in sports events or extra-curricular activities should get their assignments from their teachers prior to leaving campus. Students will be given two days to complete make-up work if participating in sporting events or extra-curricular activities where they are representing SCS.

RETENTION

If a student in grades 1-8 fails two or more major subjects (Bible, English, reading, math, science and social studies), the student will be required to repeat the school year unless the appropriate summer school classes are completed successfully for students in grades 6-8. Students who fail a course in grades 9-12 will not receive credit for that course and will be expected to retake it if needed for graduation. Summer school may be an option for students in grades 5-12. Seniors lacking credits will not graduate or be allowed to participate in the commencement exercises.

EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activities are organized and supervised activities conducted under the auspices of the local school, or an element thereof, that primarily involve students in activities other than a classroom situation and for which no credit separate from an approved course shall be given toward graduation. By way of example, extra-curricular activities may include, but are not limited to, athletics, school clubs and associations, some academic and scholastic teams, musical activities, theatrical activities, student government, student publications and other activities.

Participation in extracurricular activities is a privilege for students and is not a right. Student participation in extracurricular activities may be restricted. All accounts must be current in order for students to take semester exams. Students will not receive report cards unless the account is current.

POLICY ON QUITTING A SPORT/EXTRA-CURRICULAR

Student athletes who choose to quit a sport will not be allowed to participate in another sport until the sport they quit has completed its season. This includes all play-off appearances. Students choosing to quit a sport will be required to meet with the Athletic Director and the head coach of the sport they have chosen to quit. The parents and the administration will be notified of this action by the Athletic Director. Students who choose to quit an extracurricular activity will not be allowed to participate in another activity until they have met with the sponsor and administration. Parents will be notified of this action by the sponsor.

GUIDELINES OF DRESS AND GROOMING

1. Hats, caps, sweat bands, bandanas, visors, and sunglasses must be removed and placed in the locker or designated area and remain there during the school day.
2. Hair must be clean, well-groomed and the color must be a natural tone for all students. Males students must be above the eyebrows, above ears, should not touch the collar of a uniform shirt, and approved by the administration. Hair cannot impair vision. Male students should schedule regular appointments so that hair length is always in compliance. Students will receive write-ups for hair being too long. Boys may not have rat-tails or ponytails.
3. Ear jewelry may be worn by females only. Nose jewelry is not to be worn by boys or girls while they are in school. Jewelry (studs, pins, etc.) may not be worn in any visible pierced areas of the body, including, but not limited to, the tongue.

The report card must be signed by the parent/guardian and returned to the homeroom teacher for all students in grades K-5. Students in grades 6-12 will sign that they have received a copy of their progress report and report card to take home to their parent/guardian. Students whose accounts are not cleared will not receive report cards. Student grades will be based on the following scale:

ACADEMIC PROBATION

Students in grades 6-12 may be placed on academic probation if they receive 2 D's – 1 F, or 1 D and 2 F's at the end of the semester. If grades do not improve at the end of the next semester, students may be subject to dismissal. Students completing the fifth grade and entering the secondary department will be subject to this same rule. The intention of this policy is not to eliminate dedicated students, but to improve what we are trying to accomplish in the classroom and to encourage students who are not benefitting from our program to seek a program where they will be better motivated. It is our desire that this policy will encourage all of our students to put forth their best efforts in the classroom.

STANDARDIZED TESTING PROGRAMS

National Standardized Assessment – Administered to grades three through eighth during the spring of the year.

P.S.A.T./N.M.S.Q.T. – Preliminary Scholastic Aptitude Test – Administered by the school counselor in October to selected juniors as an introduction to the SAT college entrance exam. It also serves as the National Merit Scholarship Qualifying test through which students compete for National Merit Scholarship.

A.C.T./S.A.T. – American College Test and Scholastic Aptitude Test – College entrance tests are generally taken during the spring of the junior year and again in the fall of the senior year. Registration is online at www.act.org. The test is administered on the campus of local schools and colleges. These tests are required by most colleges and are a must for NCAA eligibility and scholarship consideration. Each student is required to take the A.C.T. twice prior to graduation.

PARENT/TEACHER CONFERENCES

There must be consistency and congruence between school and family. An imbalance in any realm may prevent a child from fulfilling the call of God upon his life and from developing into a responsible adult. Therefore, clear, continuous communication is an absolute necessity. Since we are an extension of one another while we are working together to accomplish and develop God's best in each child's life, parent-teacher conferences will be scheduled upon request by parent, teacher, or used as needed. Teachers will be available during their planning period or immediately before and/or after school for parent conferences. These conferences must be scheduled with the individual teacher or through the school office. We request that younger children not be brought to these meetings, in order that attention can be given to the school-aged child.

HOMEWORK

Homework is a part of the curriculum at Sumiton Christian School for several reasons. First, parents are made more aware of the work done by the student. Second, parents will be aware of the strengths and weaknesses of the student in his/her various subject areas. Third, homework serves as a valuable tool for reinforcement and repetition of the skills learned in the classroom.

Homework also provides opportunities for the students to learn self-discipline through independent study. Project assignments are announced well in advance in order to teach time management skills.

SEMESTER EXAMS

Exams for grades 6-12 are designed to review the semester's work, provide the student with a broad picture of the course and teach students to handle comprehensive exams. Exams count 20% of the final semester grade, with each nine weeks grade counting 40% toward the semester average. Exemption slips for semester exams will be awarded by the administration. In order to exempt an exam, a student must meet one of the following criteria:

- Students who score a composite of 30 or higher on the ACT may exempt all semester exams for the school year in which they obtain the composite score of 30 or higher. (Grades 9-12)
- Students with an overall "A" average are eligible to exempt all classes in which they have earned an overall "A" average for the year. (Grades 6-12)
- Students with an overall "B" average are eligible to exempt two exams if they have no more than 3 excused absences or excused tardies/checkouts for the semester. (Grades 6-12)
- Students who score a 25 or higher on the ACT may be exempt from the semester exam for that subject if they also have a 70 average in the subject area for that semester. (Grades 9-12)
- Students that do not receive an office referral for the entire semester will be awarded one exemption if they have a 70 average in the subject matter for that semester. (Grades 6-8)
- Students with perfect attendance may earn another exemption if they have a 70 average or higher in the subject matter of their choice. (Grades 6-12)

TEXTBOOKS

DUAL ENROLLMENT

Sumiton Christian School has an active dual enrollment contract with Bevill State Community College (BSCC). This allows eligible students the opportunity to earn both high school and college credit simultaneously.

Students and parents who are considering the option of dual enrollment or accelerated credit should proceed with caution. Students who successfully complete dual enrollment courses will receive credit toward their college degree. Students should understand, however, that dual enrollment courses are college courses and the amount of work necessary to succeed in dual enrollment courses may be much greater than in high school courses. In addition, dual enrollment courses become a part of a student's permanent college transcript (and in the high school transcript) and are calculated into the student's permanent college transcript and are calculated into the student's permanent college GPA. It is important to do well in these courses to realize all benefits of dual enrollment.

What is Dual Enrollment/Dual Credit?

Eligible 11th and 12th grade high school students may enroll in a course which provides both college credit and high school credit for the same course. Serious consideration and counseling should be provided for 11th grade students to ensure they have the social maturity for college level work.

Eligibility requirements for Dual Enrollment

Eligible high school students may enroll in college classes concurrently with high school classes, either on the College campus or at the high school, and receive both high school and college credit. There must be on file at Bevill State Community College a formal written agreement between the student's local school board and Bevill State Community College before approval for Dual Credit/Dual Enrollment admission is granted. To be eligible the student must meet the following requirements:

1. Students must be in grade 11 or 12 or have an exception granted by the participating postsecondary institution upon the recommendation of the student's principal and superintendent and in accordance with Alabama Administrative Code 290-8-9.17 regarding gifted and talented students.
2. Students must have a 2.5 average, as defined by local board of education policy, in completed high school courses.
3. Students must have written approval of the SCS principal and counselor. Student access to Dual Credit/Dual Enrollment is dependent upon both academic readiness and social maturity. Approval from the SCS counselor and principal indicates that the student has demonstrated both.
4. Students must meet admission requirements established by the College.
5. Students who are enrolled in grades 11 or 12 may be deemed eligible to participate in Dual Credit/Dual Enrollment in occupational/technical courses pending demonstrated ability to benefit as documented by successful completion of placement test or other assessments approved by the Department of Alabama Community College System
6. Students must take a placement test and be placed in eligible courses.

How does a Dual Enrollment class meet high school requirements?

Students must complete three semester credit hours at the postsecondary level equal to one credit (Carnegie unit) at the high school level in the same or related subject. (There are specific requirements regarding English credits.) Each participating local education school has the final authority on equivalencies. The current Bevill State Community College and Sumiton Christian School Dual Enrollment Contract is attached.

Eligibility Requirements for Accelerated High School Student

Eligible high school students may enroll in college classes concurrently with high school classes and receive college credit. Bevill State Community College admissions, course placement, and course sequencing are applicable in addition to eligibility requirements listed below. A student is eligible for early admission upon meeting the following criteria:

1. The student has successfully completed the 11th grade.
2. The student provides a certification from the local principal and/or designee certifying that the student has a minimum cumulative 2.5 average and recommending the student be admitted under this policy.
3. The student may enroll only in postsecondary courses for which high school prerequisites have been completed (e.g., a student may not take English Composition until all required high school English courses have been completed). The student must take a placement test and place in eligible courses.
4. The student must meet admission requirements established by the College.

Dual Enrollment or Accelerated High School Credit at SCS

The Accelerated High School Program allows a high school student to enroll in a college class for college credit only. Accelerated High School students may receive elective high school credit for college courses if approved by the SCS administration. Dual Enrollment means a high school student is enrolled in a college course that will be used for both high school credit and college credit.

SCS students may participate in the Accelerated High School Credit Program at Bevill through the completion of BSCC approved application and approval of SCS principal and counselor. Forms may be obtained from the SCS office.

Dual Enrollment or Accelerated High School Credit Enrollment

Students wishing to participate in Dual Enrollment or Accelerated Credit Classes at BSCC should start in the Administration office at Sumiton Christian School to obtain enrollment forms and permissions needed to participate in the program.

DISCIPLINE

We expect all students who choose to attend Sumiton Christian School to exemplify Christ-like behavior and to comply with Biblical Standards. (1 Peter 2:13-15) All students must honor and respect God the Father, Jesus Christ, the Holy Spirit, and God's Holy Word. (Matthew 22:37-38) Students must follow all guidelines and regulations established within each classroom. Disruptive behavior is not permissible. (Hebrews 10:25)

Discipline is necessary for the welfare of the student as well as the entire school. It is impossible for learning to take place in a classroom unless control and good order are maintained. SCS expects full cooperation from both students and parents. Any parent or student suggestion or complaint is expected to be taken through the proper chain of authority in a respectful manner. Sumiton Christian School has a commitment to its school families to maintain its standards and requirements for all students. Because attendance at Sumiton Christian School is a privilege and not a right, the privilege may be forfeited by any student who does not conform to the standards and regulations of the school. The school may request withdrawal of any student at any time who, in the opinion of the school administration and School Board, does not fit into the spirit and intent of the ministry of the Sumiton Church of God, regardless of whether or not the student conforms to the specific rules and regulations of the school. This guideline is shared with a spirit of love. There is, at Sumiton Christian School, a great sense of commitment and love for the students and families we serve, however, an additional commitment to the total school family and to the Lord Jesus Christ is also present. Strict and proper discipline is a chief concern of parents who send their children to SCS. Our school staff takes seriously its responsibility to discipline students in accordance with Biblical standards. The administration reserves the right to make the final decision in any situation which requires disciplinary action.

Some inappropriate behaviors are best handled by classroom personnel without resorting to the more formal procedures contained within this Code of Student Conduct. Accordingly, each classroom teacher may deal with general classroom disruption by taking in-class disciplinary action, by making oral or written contact with the child's parent or guardian when feasible, and by scheduling conferences with parents, guardians and other school staff. If the action taken by the teacher is ineffective or the disruption is, in the teacher's judgment, sufficiently severe, the student may be referred to the administration for minor offenses.

SCHOOL RULES

1. Respect God, others, their property, and yourself.
2. Be on time.
3. Be prepared.
4. Follow school policies.

VIOLATIONS OF THE DISCIPLINE POLICY/OFFICE REFERRALS

When a student is referred to the principal or designee, the principal will then have the discretion to determine the nature and classification of the offense committed by the student. Each student will be allowed to provide an explanation – to admit or refute any charges – prior to any final disciplinary action taken. For any offense for which an in-school parental conference is required, it is the parent’s or guardian’s responsibility to make arrangements for the conference within twenty-four (24) hours of being notified of the problem. No student will be allowed to return to school until the parent or guardian conference is held. Except in cases of prior approval by the Administrator, no parent, guardian, or other third party may appear in such parental conferences on behalf of the student other than the following persons: (a) a parent with joint legal and/or physical custody of the student, (b) a parent with sole/primary physical custody of the student, (c) a parent listed on the birth certificate of the student, or (d) a court appointed legal guardian of the student. . Violations of the Sumiton Christian School’s Student Code of Conduct are generally grouped into three classes – Write-ups/Minor Offenses (Class I), Office Referral/Intermediate Offenses (Class II), and Dismissal/Expulsion/Major Offenses (Class III). The disciplinary procedures for each class may be different, depending on the recommended action which is to be taken.

Any charges involving alcohol, drugs, weapons, aggressive behavior, or a suspected crime may result in intervention by law enforcement authorities. Any items of a dangerous or illegal nature may be confiscated and turned over to law enforcement authorities immediately.

DISCIPLINARY ACTION

This Code of Student Conduct prescribes that certain disciplinary action may be taken in response to student behavior. The following descriptions should provide general explanations of some of the ways discipline may be applied. However, the following is not exhaustive, and will not limit the discretion of the school administration regarding disciplinary alternatives.

Required In-School Parental Conference: A required in-school parental conference is a meeting at the school with the principal or his/her designee, parent(s) or guardian, and student to resolve the disciplinary problem. After notification of the problem, it is the parent(s)' or guardian(s)' responsibility to make arrangements for the conference within twenty-four (24) hours.

A failure to comply with school detention procedures will result in additional disciplinary action. Students will complete additional and all required assignments during detention.

Suspension: Suspension is a temporary removal of a student from his or her regular program and from the school. Students suspended will receive zeros for all work during the suspension. When suspended, a student is prohibited from entering Sumiton Christian School and from attending or participating in school activities (for example, athletic events, cheerleading, plays, concerts, practices, etc.) even if the activity is held off school grounds. Violation of this rule will result in additional charges of trespassing against the student. Graduating seniors who are under suspension at the time of graduation may be denied participation in the commencement exercises.

Expulsion: Expulsion is the removal of a student from Sumiton Christian School, Sumiton Christian campus, and all Sumiton Christian school activities and functions.

Driving Privileges: The driving of vehicles to school by students is considered a privilege. Driving privileges may be revoked at the discretion of the administration.

ATHLETICS ELIGIBILITY

College-bound students who want to compete at a Division I or Division II school must meet standards set by NCAA members. For Division III, athletes must meet the admissions standards set by the school. Eligibility standards can be found at eligibilitycenter.org.

ATHLETIC EXTRA-CURRICULAR GUIDELINES

All sports-related extra-curricular activities must, and will be, coordinated through the SCS Athletic Director or Coaches. We will offer as many of these opportunities as enrollment will allow. The following guidelines for academic eligibility are in accordance with the AHSAA (Alabama High School Athletic Association), and will be observed for team sports, cheerleaders, and any other activities occurring aside from normal curricular activities.

1. All students must have written parental consent.
2. A 10th, 11th, or 12th grader must have passed a minimum of 6 units of work (including all 4 core courses), with a composite numerical average of 70 for those 6 units during the preceding 2 semesters of attendance. All 4 core courses must be included in the 6 passed and averaged. One unit of Physical Education may be counted per year. A maximum of 2 units may be earned in an accredited summer school. All 8th and 9th graders must have passed 5 subjects with a composite numerical average of 70 for those 5 subjects during the preceding 2 semesters of attendance (including all 4 core courses).
3. All other questions regarding a student's eligibility for athletics should be directed to the Athletic Director.
4. Students must at all times exhibit Christ-like, sportsman-like behavior. The objective will always be to exemplify and glorify Christ. Failure to do so will result in a conference with the coach and principal and possible suspension for a length of time which will be determined during the conference.
5. All students who have agreed to participate in sports activities are expected to complete the entire schedule including playoff appearances unless dismissed from the team. (See Policy on Quitting a Sport)
6. Participation in all practices and scheduled games is required unless a valid written parental excuse is presented to the coach and permission granted by the coach.
7. Any expenses incurred while participating in extra-curricular activities must be absorbed by the parents.
8. As with all other school activities, the administration reserves the right to make the final decision in any questionable situation or circumstance.
9. If students are absent or if they have an unexcused check in or check out the day of a game, they will not be allowed to participate unless previous arrangements have been made with the coach and administration.
10. Any athlete receiving a fine from the Alabama High School Athletic Association (AHSAA) will be

responsible for paying the amount of the fine to Sumiton Christian School as reimbursement for the action taken by the AHSAA. Payment must be made within ten days after receiving notification of the fine from the AHSAA.

FACTS ABOUT CONCUSSIONS

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way your brain normally works.
- Can occur during practices or games in any sport or recreational activity.
- Can happen even if you haven't been knocked out.
- Can be serious even if you've just been "dinged" or "had your bell rung".

All concussions are serious. A concussion can affect your ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most people with a concussion get better, but it is important to give your brain time to heal.

What are the symptoms of a concussion?

You can't see a concussion, but you might notice one or more of the symptoms listed below or that you "don't feel right" soon after, a few days after, or even weeks after the injury. Symptoms may include the following:

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

If you think you have a concussion, tell your parents, teacher, or coach immediately. Never ignore a bump or blow to the head even if you think you feel fine. A doctor or other health care professional can tell if you have a concussion and when it is okay for you to return to your normal daily activities. If you have a concussion, your brain needs time to heal. While your brain is healing, you are much more likely to have another concussion. Repeat concussions can increase the time it takes for you to recover and may cause more damage to your brain. It is important to rest until your doctor says you are okay and are symptom-free. You can help prevent concussions by using proper sports equipment, following your coach's rules for safety and the rules of the sport, and by practicing good sportsmanship at all times. (U. S. POLICY OF ACCEPTABLE USE OF INTERNET AND TECHNOLOGY

Internet access is available to students and teachers in our school. The access is being offered as a collaborative project involving your student's school and an Online Service Provider. Our goal is to promote educational excellence by facilitating resource sharing, innovation, and communication.

Our connection provides access to the Internet. The Internet is an "electronic highway" connecting millions of computers all over the world, and millions of individual users. Our students may use it in the classroom to communicate with fellow students all over the planet.

TERMS AND CONDITIONS

Security:

With access to computers and people all over the world also comes the availability of material that may not be considered of educational value in the context of the school setting. We have taken available yet limited precautions, including the use of Cyber Patrol software, to restrict access to controversial or potentially inappropriate materials. The faculty or administration of Sumiton Christian School will not be held responsible or liable for any inappropriate material that any student obtains on the Internet. Further, all students, parents, and guardians acknowledge that classes may be viewed live and/or recorded and uploaded to an approved electronic database in pursuit of the virtual learning option adopted by Sumiton Christian School.

Acceptable Use:

Internet access is coordinated through a complex association of government agencies and regional and state networks. The smooth operation of the network relies upon the proper conduct of the end users, who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. Use of other organization's networks or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any U. S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secrets. Use for commercial activities by for-profit institutions is generally not acceptable.

Use for product advertisement or political lobbying is also prohibited. Illegal activities are strictly prohibited.

Unauthorized use of a computer or computer system which results in, but is not limited to, the following, is strictly prohibited: (A) Unauthorized access to a computer system resulting in data modification or disclosure of restricted information; (B) Computer tampering which causes a major disruption in the educational or administrative process (note: a student in violation of this provision will be responsible for payment of restitution for the cost of repairs); (C) Distribution of restricted computer passwords; (D) Introduction of unauthorized software into computer system; and (E) Any other action the principal of SCS deems in violation of this provision or the intent thereof.

Privileges and Netiquette:

The use of our Internet connection is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. Each student who uses the Internet will be informed about use of the network, called netiquette. These rules include (but are not limited to) the following:

1. Be polite. Do not write or send abusive messages to others.
2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
3. Do not reveal your personal address or names and phone numbers of students or colleagues.
4. Note that electronic mail (e-mail) is not guaranteed to be private. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to authorities.
5. Do not use the network in such a way that you would disrupt the use of the network by other users (e.g. downloading huge files during prime time; sending mass e-mail messages).
6. All communications and information accessible via the network should be assumed to be private property.

Based upon the acceptable use guidelines in this document, the administration will deem what is inappropriate use and their decision is final. The administration may decide to deny, revoke, or suspend specific user privileges and in some cases, may take further action if necessary.

Exception and Terms and Conditions:

All terms and conditions as stated in this document are applicable to Sumiton Christian School. These terms and conditions reflect the entire agreement of the parties. These terms and conditions shall be governed and interpreted in accordance with the laws of the State of Alabama, United States of America.

Student Use of Social Media

First and foremost, students are encouraged to always exercise the utmost caution when participating in any form of social media or online communications, both within the SCS community and beyond. Students who participate in online interactions must remember that their posts reflect on the entire Sumiton Christian community and, as such, are subject to the same behavioral standards set forth in the SCS Student Handbook. In addition to the regulations found in the Student Handbook, students are expected to abide by the following:

- Students may not use social media sites to publish disparaging or harassing remarks about SCS community members, athletic or academic contest rivals, etc.
- Students who choose to post editorial content to websites or other forms of online media must ensure that their submission does not reflect poorly upon the school.

Failure to abide by this Policy, as with other policies at SCS, may result in disciplinary action as described in the Student Handbook, or as determined by the Administrator.

DRUGS, ALCOHOL, AND TOBACCO

Total abstinence – including use, possession or selling of tobacco, alcoholic beverages, and non-prescribed drugs – is expected of all students at all times, twenty-four hours per day, seven days per week. (I Cor. 6:19-20; I Cor. 8:9) Violation of this policy will be considered a major offense as outlined in the Student Handbook.

DRUG TESTING POLICY AND PROCEDURES

Our goal is to ensure our churches, parents and communities that SCS is and will continue to strive for a completely drug free environment.

TESTING PROCEDURE:

- 1) The parents, by signing the Student Handbook, are consenting to their child participating in the drug testing program.
- 2) All costs related to the drug testing program will be the responsibility of the parents(s).
- 3) All students (7th-12th grades) will be tested.
- 4) The testing will be administered at the beginning of the year and randomly throughout the year.
- 5) The testing company will determine the testing day.
- 6) The method of testing will be a urinalysis. If a urine analysis cannot be obtained a hair sample will be used for an additional cost to the parents. Any positive drug result will be confirmed by additional testing at a laboratory selected by the company.
- 7) Any attempt to tamper with the urine sample will result in a positive test.
- 8) Refusal to participate will result in immediate dismissal of the student.
- 9) The selection and coding of specimen samples will be executed in a manner ensuring total confidentiality and identification.
- 10) A positive screening will be subject to additional testing by the company and a medical review officer. There will be an additional charge for the review and will be the responsibility of the parent.

ENFORCEMENT:

1st positive result

- 1) The student will receive a Class III Offense as outlined by the Student Handbook.
- 2) In addition to receipt of a Class III offense, the student shall be required to submit to drug tests on the following schedule:
 - One test per month for the following three months after a positive test is produced and, thereafter, one test every other month for the six months following completion of the aforementioned monthly tests.
 - Such ongoing testing shall continue through the Summer months for students who have neither graduated nor withdrawn from SCS.

SCS shall not be responsible for any costs associated with ongoing drug tests following a student's first positive result and said costs shall be borne by the student and/or parent/guardian. Prior to beginning the ongoing drug tests, the student must first receive written approval by the Administrator of SCS regarding the location and method of testing. Any test undergone without prior written approval of the Administrator shall not count towards the student's required testing as specified hereinabove. Failure to comply with the aforementioned ongoing testing requirements shall be considered a student's 2nd positive result and addressed accordingly.

2nd positive result

If a student's second positive result falls within the same school year as the first positive result, the student shall be expelled from SCS for the remainder of the school year.

The student shall be allowed to reapply for admission to SCS for any subsequent school year, but if admission is granted it shall be on a probationary status only. Once admitted on a probationary status, one positive drug test shall result in permanent expulsion from SCS with no option for reapplication.

Along with the student's re-application to SCS, the student must also provide one negative drug test result for each of the three months preceding his or her submission of reapplication. The drug testing facility and method of testing must be pre-approved, in writing, by the SCS Administrator.

If a student's second positive result does not fall in the same school year as his or her first positive result, the second positive shall be treated as a Class III offense and the student shall be given the same consequences for such offense as specified hereinabove in Paragraph 1 under the section "1st positive result."

3rd positive result

If a student receives three positive results at any time during his or her time at SCS, the student shall be expelled from SCS with no option for reapplication.
